**Subject:- Regarding option for commutation of pension consequent upon pay revision.**

Sir,

I am to refer to the pension revision orders notified vide the Executive Director(Pers.), HPSEBL Office Endorsement No.2001-2360 dt.1.06.2022 and to say the HPSEBL employees retired between the period 01.01.2016 to 12.04.2022 shall have an option not to commute their differential part of revised pension.

As the DDO is the pension sanctioning authority and has to take care of this aspect and the said option is to be routed through his office with revised pension case. It has been noticed that in many cases pensioners are approaching to this office for non-commutation of their pension as well as for change of their option in this regard.

It is requested that revised pension cases may kindly be submitted with option, where tendered by the pensioners for not to commute his/her revised pension, so that the same is settled accordingly. It is further to inform that revised pension once authorised with commutation or without commutation, as the case may be, will not be re-opened thereafter and pensioners may kindly be apprised about accordingly.

Yours faithfully,
