**Subject: - Consultancy Services for providing Independent Quality Control Check Squad (IQCS) for all line Departments / Corporations and other agencies etc. of the Government of HP (SH: - Submission of Handbook on Quality Control).**

Sir,

On the subject cited above, your attention is invited towards the announcement made by Hon'ble Chief Minister, HP in the Budget speech of financial year 2018-19 to develop an Independent Quality Check Squad under the Chief Minister Office to ensure the quality of various construction activities in the state. Consequently, a Quality Control Cell was set up and started functioning w.e.f 23.09.2020 in the Chief Minister Office under the Chairmanship of Principal Secretary to Hon'ble CM in consultation with Chief Engineer, South Zone, HPPWD, Shimla. The squad is entrusted to carry out surprise inspections of construction works and submit its report directly to the Chief Minister Office. For standardizing the construction works the Quality Control Cell, in coordination with HPPWD, JSV (formerly I&PH Deptt.) and HPSEBL, has developed a Handbook/ Manual comprising of three parts. The Part-C of the handbook pertains to HPSEBL and it has been decided to distribute the same upto Junior Engineer level.

In view of above, it is requested to collect the handbooks pertaining to HPSEBL i.e. Part-C (hard copy as well as CD) from this office, through authorized representative, for further distribution upto Junior Engineer level. It may be ensured that the checks incorporated therein the handbook are followed and implemented meticulously by the concerned officers/ officials working under your jurisdiction so that the construction works could be executed as per prescribed standards.
