Regarding implementation of Bio-Metric based user authentication in e-bills for DDOs.

Sir,

Kindly refer to your letter no. NICHHP/Himkosh/2022/-502 dated: 13th February, 2023 regarding creation of Bio-Metric module in e-Bills system of IFMIS. All the DDOs are required to capture their Bio-Metric (Finger scan) in the e-Bills system as part of requirement under DLI-2 of World Bank assisted program. Capturing of Bio-Metrics at treasury level will pose operational difficulties. Further, the Finger scanner is only limited to SECUGEN device & it may be very difficult to procure 5000+ devices at a short notice.

Therefore, it is requested that:-

1. The provision to capture Bio-Metrics may be made available to DDOs also.
2. More Fingerprint Scanning devices from other OEMs may be added in e-Bills Bio-Metric module.

Yours faithfully,

Director,

Treasuries, Accounts & Lotteries,
Kasumpti, Shimla-171009, H.P.
