To

The All the DDO's/S.E./Sr.Xen's/R.E.'s,
in HPSEBL,

Subject:- Development and implementation of end to end utility for processing Pension case(on superannuation) in HPSEBL through SAP ERP system.

Sir,

I have been directed to refer to this office letter No. HPSEBL/F&A/ Pension-/2023 -18522-18671 dt. 6.09.2023 whereby the date for implementation of end to end utility for processing pension cases (superannuation) in HSEBL through SAP-ERP system was 1st October, 2023.

However, due to certain technical reasons on the part of SAP-ERP team as well as delay in imparting training on said utility the date has now been extended and will be implemented from the 1st December, 2023.

As already intimated that it will just replace the pension summary/ calculation sheets with utility sheet and remaining submission of pension papers as well as service book are to be submitted to the undersigned as per practice in vogue along with printed copy of utility sheets.

All the head of the offices/ DDOs are requested that after 1st December, 2023 all the superannuation pension cases be processed through SAP-ERP as detailed in utility manual.

Yours faithfully,

Accounts Officer(Pension),
