Subject: Regarding Advisory for ensuring the welfare of Transgender Persons,

Sir/Madam,

The rights of the Transgender persons have gained recognition and legal validity through various judgments of the Supreme Court. A landmark development was the enactment of "The Transgender Persons (Protection of Rights) Act, 2019", which explicitly aimed to safeguard and uphold the rights of transgender individuals. Despite these legal advancements, transgender persons continue to grapple with discrimination in multiple facets of life. This discrimination manifests in various forms such as employment disparities, limited access to healthcare, and exclusion from social circles.

To address these challenges, National Human Rights Commission has approved an 'Advisory for ensuring the welfare of Transgender Persons', containing a set of recommendations, designed to enhance the welfare and rights of TGPs. The said advisory is hereby being enclosed with the request to furnish the ATR to the actions already taken/initiated within 15 days and implement the recommendations made in the advisory in letter and spirit.

Encl: as above

Yours faithfully

Director
