Subject:- Non-implementation of Provisions of regulations and Supply Code notified by HPERC- advisory thereof.

Sir,

It has come to the notice of Competent Authority of HPSEBL that the field units specifically under Electrical System Wing are not properly implementing the provisions of HPERC regulations and supply code and its correct interpretation. The reply to CGRF/Ombudsman/ courts etc. are being submitted /filed based on wrong applicability/interpretation of provisions of regulations which results in financial and legal implications. The competent authority has viewed it seriously specifically in case of reply filed by ESD Division, HPSEBL, Nalagarh with respect to HPERC (Recovery of Expenditure for Supply of Electricity) Regulations, 2012, wherein the cost sharing of service line under this regulation which was not applicable was misinterpreted.

In view of above, it is advised that the provisions of HPERC regulations and supply code may be examined properly while implementing/ submitting reply to CGRF/Ombudsman/Courts so as to avoid financial and legal implications please.

Yours sincerely,

Chief Engineer (Comm.),
HPSEBL, Vidyut Bhawan,
