Subject:- Non-recovery of electricity bills by the field units resulting in accumulation of outstanding amount and cash flow constraints of HSPEB Ltd.

It has been brought to the notice of the undersigned that outstanding amount against energy bills is increasing and field units are not pursuing recovery as per standard procedure. You will appreciate that financial position of HPSEBL is highly precarious on account of Lockdown due to unprecedented COVID-19 pandemic and the various reliefs/concessions allowed to the consumers during this lockdown period. As per the data available in Billing software, outstanding amount recoverable from consumers has accumulated up to Rs. 603 Cr ending April,2020 and after considering May,2020 assessment, which too is very low i.e. ₹ 182 Cr and recovery around ₹ 225 Cr., an amount of ₹ 560 Cr would be outstanding ending May,2020. The circle-wise/ Category-wise outstanding amount ending April,2020 extracted from billing software is enclosed for your reference.

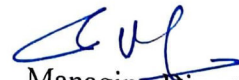

Please be advised that HPSEBL which is presently financially stressed can't afford to such huge outstanding pending recovery from consumers due to inaction by field officers.

Whereas, vide this office letter No/ HPSEBL/CE(Comm.)/S-4/2020-3304-3653 dated 29.05.2020, consumers have been allowed to pay their bills with surcharge up to 30.06.2020 without facing any disconnection, an appeal as per the format enclosed, needs to be served to the consumers not for disconnection but to pay their outstanding dues by 30.06.2020 positively, so that these outstanding are not converted to permanent default. Necessary instructions need to be imparted to the field officers.

The status of recovery of amount be monitored on daily basis on your level and reported to concerned CE(Op) on weekly basis. The position of recovery shall also be monitored on fortnightly basis at HQ level.

The above instructions may be followed in letter and spirit and any laxity on this account shall be viewed seriously.

DA/ as above.

You will do appreciate that HPSEBL taking cognizance of your financial hardship which you might have faced due to adverse impact on your business/earning due to lockdown to contain the outbreak and community spread of COVID-19, notified various relief measures like waiver of demand charges for registered hotel and restaurants, deferment of demand charges for industrial, Commercial and Agriculture Consumers , extension of date for payment of electricity bills without late payment surcharge for all category of consumers and 1% rebate subject to maximum Rs. 10000/- for Industrial, Commercial and Agriculture consumers and Rs. 10/- to Domestic consumers on payment of bills by 31.05.2020 etc. vide notification Nos: HPSEBL/CE(Comm.)/S-4/2020-16745-17094 dated 21.03.2020, even file No. 351-700 dated 14.04.2020, 774-1123 dated 22.04.2020 No. 1276-1626 dated 30.04.2020, 1768-2117 dated 6.05.2020. lately , payments of bills have been allowed to be paid by 30.06.2020 with Late Payment Surcharge (LPS) without facing any disconnection of power supply vide letter No. HPSEBL/CE(Comm.)/S-4/2020-3304-3653 dated 29.05.2020.

You will also be appreciative of the fact that HPSEBL continued to supply uninterrupted power to the consumers by paying the charges of power to various agencies during the lockdown period. But because of significant reduction in the recovery of revenue from consumers during the last two months i.e. in April and May,2020, we are finding it difficult to cater even our requirement of expenses towards power purchase and other liabilities.

It is therefore, requested that payments of your bill may please be made on or before 30.06.2020 positively so that we could render continuous power supply to your premises.

With regards,

SE/Sr.EE/AE/AEEs
