Dear Sir,

With reference to above, show cause notice dated 20.03.2023 was issued to your firm seeking response with regard to the incidence of seizure of Coal trucks which were loaded at Khadia Coal Mines of NCL and were supposed to unloaded at Mahedaiya Railway Siding. A request was made by you to present the case in person before the Screening Committee vide letter dated 15.04.2023 and a reply was also submitted.

At the time of hearing you reiterated the stand taken in your letter dated 31.01.2022 saying that out of 22 vehicles seized by the Police, 6 vehicles were seized while enroute whereas 16 vehicles were seized only after unloading of coal at Mahedaiya Railway Siding and for which you claimed to have no information. You have further stated before the Committee that 6 vehicles have been released by the Court and entire lifted Coal has been supplied to MPPGCL and that there is no conviction order by the Court. You have also taken the stand the 16 vehicles which were last entered for lifting of Coal of MPPGCL's DO from Khadia Mine had already unloaded the Coal at the given Railway Siding but the said vehicles were seized by Police with Coal which was not pertaining to MPPGCL.

The response submitted by you to the show cause have been considered in detail together with your letter dated 31.01.2022.

It is a fact that 22 vehicles were seized by UP Police from a route in Sonbehadra District of Uttar Pradesh, which nowhere falls in the route where the Coal was to be unloaded by you, i.e., the Coal was lifted at Khadia Mines by you and was to be unloaded at Mahedaiya Railway Siding. The aforesaid fact was intimated by M/s. NCL vide its letter dated 22.01.2022 together with the

details of the DO allotted to you by MPPGCL for lifting of Coal from its Khadia Mines from where the 22 vehicles were loaded. Though you have stated that you are not concerned with 16 vehicles but in respect of 6 vehicles you have submitted that they have been released by the Court and therefore no action can be taken by MPPGCL in that regard. The release orders of the 6 vehicles submitted by you only show that they have been given in your custody on a bond of Rs. 2 Lakh, pending trial, so that the Coal is not deteriorated and its utility is not affected. The Court has not acquitted the accused in the matter and the Trial is still pending before JMFC/CJM, Sonebhadra.

It is serious and shocking, that you as the transporting Contractor of Coal from NCL Mines to the Railway Siding, were found to be taking the Coal supply in 6 vehicles to a different destination than the Railway Siding, where the Coal was to be unloaded.

From the letter dated 22.01.2022 of M/s. NCL, your admission with regard to seizure 6 vehicles and the release orders passed by the CJM, Sonebhadra, it is clear that you have indulged in unfair and unethical business practices and are therefore liable to be banned as per Clause 1.51 read with Annexure XIII of the Standard Bid Document.

In view of the aforesaid it has been decided to ban your firm from all future business dealing with MPPGCL for a period of 3 years. As you have been disallowed participation in the tenders with effect from 15.03.2022, the banning period of the 3 years shall be counted from the said date. Accordingly, no bidding/ documents for any of the tender enquiry/ enquiries, as may be invited either from the Corporate Office or Any of the Site Offices or Any Other Offices of MPPGCL, shall be issued and/ or Award of any work shall be made to you during the said period. However, dealing with M/s. RKTC, Raipur in respect of ongoing supply/ service turnkey contract already entered with the MPPGCL shall continue till the closure of such contracts.

Thanking you,

Yours faithfully

(H.K. Sankule)
