- (3.3) The Commission further desires that a detailed review may, therefore, be undertaken and all such officers be posted out of their home constituency limits where they have completed or will complete, on the aforesaid date, tenure of three years in Assembly constituency limit out of the last four years, immediately. Further, for uniformity, the three year period shall be reckoned backwards from the last day of the sixth month as mentioned at para 3.1(ii).
4. The Commission also desires that the officers/officials against whom Commission has recommended disciplinary action or who have been charged for any lapse in any election or elections related work in the past, shall not be assigned any election related duty.
5. The Commission further desires that no officer/official against whom a criminal case is pending in any Court of Law be associated with the election work or election related duty.
6. The Commission has in the past received complaints that while the State Government transfers officials in the above categories in pursuance of the direction issued by the Commission, the individuals try to circumvent the objective by proceeding on leave and physically not moving out of the district from which they stand transferred. The Commission has viewed this seriously and desires that all such officials who stand transferred in pursuance of the instructions referred to above shall be asked to move physically out of the district from which they stand transferred immediately on receipt of the transfer orders.
7. Normally, bye-election is held to fill up a casual vacancy within a period of six months from the date of occurrence of vacancy (excepting a situation beyond control of the Commission). Hence, it would be advisable if the State Government initiates steps for implementation of these guideline immediately after occurrence of a casual vacancy in a constituency so that last moment dislocation of officers can be avoided.
8. Any officer who is due to retire within coming six months will be exempted from the purview of the above-mentioned directions of the Commission. Further officers falling in category (home/3+ criteria) shall not be engaged for performing election duties during the elections, if they are due to retire within 6 months.

10.
