No. HPSEBL/ CE (Comm.)/S-4/Vol-IV/2022

2247-81

Dated: 17/05/2022

To

1. The Chief Engineers (Op.), South/ North/ Central Zone, HPSEBL, Shimla/ Dharamshala /Mandi.
2. All the Dy.CEs/ SEs, Operation Circles under HPSEBL.

Subject:- Release of new electricity connections to the consumers in respect of domestic consumers as per clause 4.3.1 of Conditions of Supply.

Sir,

As you are aware that HP Govt. has announced zero electricity bills to the electricity consumers with monthly consumption up to 60 units. To avail the Govt. subsidy, there are chances of segregation of load by installing additional meters in a dwelling unit for which only one electricity connection is allowed.

It is once again reiterated that as per clause No. 4.3.1 of Conditions of Supply, one separate connection is to be released to each dwelling unit. The status of dwelling unit may be verified by the field units before release of separate connection to the premises i.e. to verify the status of living conditions including cooking, eating, sleeping and sanitation facility which is usually covered in the flat or separate dwelling unit and in case this facility is not available, the load shall be allowed as additional load to the existing connection for the dwelling unit.

In view of above, it is requested to impart suitable instructions to the field units under your jurisdiction to follow the provisions of Sales Manual as reiterated above in letter and spirit to avoid any complications at later stage.
