To

All the Chief Engineers/ SEs/ Sr. Executive Engineers working in HPSEBL.

Subject: - Instruction regarding holding of DPC/issuance of promotion orders of field technical staff consequent upon amendments dated 26.08.2023 made in R&P Rules.

Sir,

I am to refer to a notification dated 26.08.2023 regarding amendments in R&P Rules of field technical staff endorsed vide No. HPSEBL (Sectt.)/R&E-106-11/2022-23- 37750-930 dated 26.08.2023.

In this context, it is informed that in view of various cadre controlling authorities of these categories i.e. Division/ Circle/Wing level as the case may be, as well as geographical condition of the state it would be appropriate to issue the promotion orders of these categories on single date in the state in order to maintain their residual seniority as well as to minimize seniority disputes at the time of integration of seniorities at next cadre controlling level.

Therefore, all the cadre controlling authorities are requested to issue the promotion order of all Class-III and Class-IV field technical categories on 10th day of month and DPCs may be convened well before this date at Division/ Circle/Wing level to avoid any litigation in due course of time. The similar process be carried out by every month when the promotion orders will be issued in future.
