APPEAL

Dear Sir,

You are already aware that Himachal Pradesh is facing an unprecedented natural disaster caused by incessant torrential rains, cloud bursts, flash floods and massive landslides in Himachal Pradesh during the first fortnight of current monsoon season. This has led to over 100 deaths alongwith wide spread destruction of infrastructure, washing away of State roads and highways, houses, commercial establishments, vehicles, disruption of water and electricity supply, closure of hydropower stations due to very heavy silt load, apart from lot of inconvenience and suffering to the people of the State. It is a very trying time for the State to come to normalcy after suffering big loss of lives, property and assets.

Under the circumstances and to relieve the widespread suffering caused by the heavy rains, Hon'ble Chief Minister, Himachal Pradesh has appealed to the people to come forward for all possible help to overcome these difficult times of distress.

It is, undoubtedly, understood that hydropower developers and producers in the State, at this critical juncture and testing times, will definitely show their magnanimity by coming forward and rendering all possible help to the impacted State and its simple and hard working people.

You are, therefore, requested to kindly contribute generously to the State's efforts in providing relief by sending contributions to the HPPF to enable present, on behalf of Forum, a consolidated cheque to the Government of Himachal Pradesh for rebuilding and supporting the efforts of the Government at this critical time.

With warm regards

Yours sincerely,
(Harikesh Meena, IAS)
Chairperson, HPPF
