The complaint has been filed by the consumer bearing ID 100012002556 and was listed today for the first time. The complaint is also accompanied with application for interim relief pursuant to the order dated 18.09.2026 passed by the Hon'ble High Court of Himachal Pradesh in CWP No. 16286 of 2026 (Annexure C3).

The complainant seeks protection against disconnection of electricity supply under the Respondents notice dated 29.08.2026 during the pendency of complaint (Annexure C1). The Respondents have served this notice to deposit a sum of Rs. 6,18,82,729.85/- towards alleged short assessment within fifteen days failing which further action including disconnection without further notice is contemplated.

The parties have been heard at length on the application for interim relief. The Respondents submit that the Complainant must deposit one-third of the disputed amount to obtain interim relief. However, the Complainant submits that it is not challenging the

demand raised by the Respondents in these proceedings. Its grievance is confined to the threatened disconnection of electricity supply vide the communication dated 29.08.2026.

The Complainant has also placed on record the electricity bills for September and October 2026, in which the amount has been reflected as arrears. These documents are taken on record.

The communication dated 29.08.2026 states that "further action shall be initiated" upon non-payment. The nature of the action contemplated, the effect of the subsequent bills require consideration after obtaining the Respondents written Reply.

The Respondents shall file their reply to the complaint and the interim application, addressing these submissions and the subsequent bills by 12.10.2026. An advance copy shall be supplied to the complainant.

In terms of order dated 18.09.2026 passed by the Hon'ble High Court of Himachal Pradesh in CWP No. 16286 of 2026, the protection granted therein shall continue to remain operative till next hearing.
