Subject:- Regarding relieving/ joining of officials /officers on promotions/transfers .

I am directed to inform you that prior to imposition of Modal Code of Conduct of General Election -2019, many posting / transfer orders were issued by this office. However, many of them remained un-executed .This office has been receiving many requests to seek approval of Election Commission for allowing relieving/joining of such employees. It has also been brought to the notice of this office that many employees have been deployed on election duty and making necessary arrangements in this regard .Under such circumstances staff movement from one place to another may create administrative problems during election process.

To avoid all such problems and ensure proper arrangements, it has been decided to extend reliving /joining time in case of un- executed orders of the employees/ incumbents till the election process is over. The controlling officer shall ensure that no employee shall be relieved or allowed to join on the basis of such un-executed orders. However, these instructions will not be applicable on all those orders which have been/ will be issued on the directions of Election Commission or various Courts.
