ORDER

The case came up for reply by the respondent. During the course of hearing it was apprised by the parties that the complainant has mainly sought release of additional contract demand of 1500KVA. The main grievance of the complainant is that the Respondent Board is not releasing the said additional load on account of disputed claim of IDC to the tune of Rs.1,28,12,500/-.despite the fact that complainant had deposited advance cost share of Rs. 15 Lakh in respect of IDC on 20.05.2021.

The complainant has also filed another complaint No.1432/01/22/01 dated 20.01.2022 wherein the similar disputed of amount of Rs. 1,28,12,500/- has been challenged. The Forum has also passed the interim order dated 22.02.2022 in the said complaint, directing the complainant to deposit one third of the disputed amount, as recorded in the said orders.The authorized representative Sr. Executive Engineer, Nalagarh, E Division, of the Respondent Board at this point has submitted that the security amount and additional advance cost of IDC etc. of 1500KVA, as demanded by the board has already been deposit. It is apparent from record and submission of parties made during the course of hearing before the Forum that complainant had applied for additional load of 1500KW with additional contract demand of 1500KVA in the year 2021. Consequently the advance cost share of Rs. 15 Lakh was deposited by complainant as advance cost share of IDC on 20.05.2021 along with security charges etc as per demand raised by Respondent Board. Further balance amount of IDC on 1500KVA @ Rs 1000 Per KVA was also stated to be deposited by complainant on 30.06.2021 which is not disputed.

In view of the above observations, we find no plausible reason to with hold the additional load as demanded by the complainant. Thus, the Respondent Board is directed to release the additional load of 1500KVA subject to the condition that the complainant consumer shall comply with the interim order passed in complaint No. 1432/01/ 22/01 dated 22.02.2022 and deposit the first installment on or before 28th February, 2022. On deposit of first installment, the Respondent Board shall release the additional contract demand of 1500 KVA. In the eventuality of failure of complainant to deposit the 2nd installment, as per the interim order dated 21.02.2022, then the Respondent Board shall be at liberty to withdraw the additional load released to the complainant. In the aforesaid terms, the present complaint stand disposed of. Parties are left to bear their own costs.

Announced in open court today on 22.02.2022.

The file is consigned to the record along with original copy of the order. The certified copy of order be kept in safe custody in the folder of order. Certified copies of this order be supplied to all parties.
