**Subject:- Special Audit with regard to non deposition of EPF & ESIC
Subscription of out sourced workers deployed by service
provider.**

I am to inform you that there are around 3000 workers deployed by the service provider in the HPSEBL and performing duties in different capacities. It has been noticed recently that the DDOs are releasing the payment of EPF & ESIC subscriptions to the service provider and the above amount is not being deposited by the service provider in their respective accounts. Recently a news was published in the leading news paper i.e "Punjab Kesari" under the head that there is a scam of morethan Rs. 200 Crore with regard to non deposition of EPF & ESIC subscriptions of outsourced workers.(Copy enclosed). The Commissioner (EPF) is pressuring hard time and again on account of non deposition of above amount.

The competent authorities of the HPSEBL has approved to conduct a special audit in this regard after constituting a committee to find out as to whether the EPF & ESIC subscriptions of the out sourced workers are being deposited by the service provider after making them payment by the concerned DDOs from the date of their initial deployment, so that truth may come out and guilty persons may be brought to book. Accordingly appropriate action as deemed fit could be taken against them.

It may also be ensured as to whether the outsourced workers are deployed with the prior approval of the competent authority or otherwise. Needful may be done at the earliest possible.

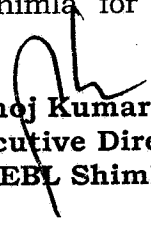

The matter brooks no delay.
